

## Three Ways to Support the Foundation

### Scholarship Fund:

#### What does this fund do?

The Scholarship Fund provides full and partial fellowships to enable school leaders to participate in a Center for Executive Educational Leadership (CEEL) program.

#### How can I direct my donation?

You can choose to sponsor an individual school leader, a group of school leaders from a particular school or district, or you can fund a whole cohort of participants for a particular CEEL strand. You may also choose to name your sponsorship “in honor of” or “in memory of” a mentor or loved one.

### Endowment Fund:

#### What does this fund do?

The Endowment Fund is used to support leadership development activities including, but not limited to, fellowships for school and district leaders to participate in a leadership development program based on their current role (assistant principal, principal, district leader, or superintendent) through CEEL at a discounted rate.

The Endowment Fund allows us to partner with business leaders and individuals interested in giving a lasting and permanent gift as a source of funding for leadership development activities. It will provide future financial support for comprehensive leadership development for public school leaders for generations to come.

#### How can I direct my donation?

**Cash:** Contribute any amount, any time.

**Stocks:** Gift appreciated stock, which may eliminate federal capital gains tax.

**Required Minimum Distributions from Retirement Accounts:** Make charitable distributions, which may be eligible for exclusion from your income.

**Bequest in Your Will or Estate Plan:** Designate a specific dollar amount or percentage of the residue of your estate.

**Life Insurance or IRA Beneficiary Designations:** Name the Endowment Fund as full or partial primary or contingent beneficiary on your life insurance or retirement account.

### General Fund:

#### What does this fund do?

The General Fund provides for necessary building infrastructure maintenance, technology improvements, and operational expenses. Donating to this fund ensures that CEEL can continue to provide leadership development programs in an updated, dedicated space.

This is the most broad and flexible fund.
